Chairman's Report- Martin Marriott

2020 was of course an exceptional year. The Covid virus and the restrictions that followed from it meant that there were no meetings at all. This meant that there was no activity whatsoever an so there is nothing to report. Let us all hope that 2021 will be somewhat better and that we will be able to hold some race meetings.

For the same reasons, it was not possible to have an AGM in person. Instead an electronic AGM via email was held which was restricted mainly to the appointment of the committee for 2021. All members were emailed and asked to respond to the proposal of committee members. They were also asked to put forward any matters to discuss.

Unfortunately, only six members found the time to respond.

George McDonald decided to resign is position of Treasurer.

All members were emailed to ask for their votes to confirm the committee nominees and to ask for volunteers for the position of Treasurer.

The following members voted to accept the nominations.
